Lostness and Discipline

From Paul Tripp:

“As a parent you’re not dealing just with bad behavior, but a condition that causes bad behavior”

Two lies for every lost child: Autonomy and self-sufficiency

What is needed: Insight, Compassion, Hope, Rescue and Wisdom

Discipline:

How do I connect to my child’s heart in discipline?

Developing self-control in our children:

Tools for the job: Time outs, penalties, the corner and other methods.

“It was wrong of me to take your toy.” vs “I’m sorry for taking your toy.”
