How to Change the World
Faithful Presence—Leadership

Leadership:

- Everyone exercises leadership in one form or another
- Leadership is relative

The Paradox of leadership

All Christians called to a life of humility, yet leadership inevitably puts us in positions of influence and advantage.

Covenantal Commitment

- Binding obligation in relationships to practice faith, hope, and love

“The practice of faithful presence, then, generates relationships and institutions that are fundamentally covenantal in character, the ends of which are the fostering of meaning, purpose, truth, beauty, belonging, and fairness—not just for the Christians but for everyone.”

The Burden of Leadership

- Incarnational leadership
- Overlapping networks with the church as “connective tissue”
